Note Well

- Monday 1st October will be used for an *Institute Morning of Reflection*. This event is **compulsory** for all full-time students and is highly recommended for all other members of the Institute.
- Some events viz. those involving the Cluster are necessarily tentative and will only be finalised once all three partners have their schedules ready. The dates appearing on this time table are approximates based on last year's schedule.
- The afternoon of the day set aside for the September Board of Members meeting (i.e. 13th September) will be used for the Annual Open Day presentation.

This calendar is issued early so as to enable staff members to make suitable plans to be present and available to students as per the normal requirements of the Institute Availability is particularly applicable to the important times near the end of semesters and around the examinations.
